

Forklift Certification Training

CARITAS offers certification courses (6 hours) throughout the year for anyone who will operate sit-down forklifts (powered industrial trucks). Upon successful completion of the course and testing, the participant will receive both a wallet size and an 8X10 certificate valid in Virginia.

The class participants, through hands-on and classroom experiences will be able to:

- Operate powered industrial trucks, forklifts
 - Understand and utilize OSHA standards for operating forklifts
 - Learn about the different types of forklifts and how to correctly perform pre and post operation inspections
 - Drive, park, load, inspect, and stabilize forklifts
 - Understand safety procedures and operator warnings for forklifts
- Develop and utilize a daily checklist for forklifts
