

Dear Friends and Sponsors of the 43rd Street Festival,

This year's 34th annual **43<sup>rd</sup> Street Festival of the Arts** will take place on **September 13<sup>th</sup> 2025**, near Forest Hill Avenue and 43<sup>rd</sup> Street. The event will feature 75 of the region's finest contemporary artisans. An estimated 5,000 people attend the event, with many making it an annual fall tradition.

This RVA festival is intended to put a spotlight on the fine arts and crafts community in the area, to promote sales of local artisans and food vendors, and promote local musicians. The show is a true community effort benefiting CARITAS. Artisans donate work for a raffle, and proceeds of the artist-designed T-shirt help raise money for the event. The show is free to the public. However, donations can be made at each of the four entrances to the show. With the help of sponsorships, we have doubled our advertising budget, increased attendance, and increased the amount raised for CARITAS for this one-day event. Over the years, we have raised more than \$100,000 to help fulfill CARITAS's mission to create a safe space to heal and time to rebuild for those individuals experiencing homelessness and/or addiction.

Our publicity efforts include social media, print and radio ads. While the festival is well established, publicizing the date of the event is vital to its success. We invite your company to sponsor the festival and help CARITAS provide food, shelter, and recovery for people in crisis. Support by organizations like yours in the past has helped make this event possible. We know this is a great marketing opportunity for you and would like to reserve space in the flyer to acknowledge your support.

Please take a look at the range of sponsorships available. Many thanks to those of you who have supported us in prior years. We hope you will join us again this year for a great show.
